

## THE POTTER'S CONFERENCE CONFESSION

Heavenly Father, in the name of Jesus Christ, we give you thanks and celebrate the success of The Potter's Conference. Thank you for the massive outpouring and outstanding manifestation of your grace and for giving us more than enough supply of resources all through the planning process and execution of the conference. We declare that demonic forces, powers of witchcraft, satanic priests & priestesses, marine entities, evil altars, covens, and temples, employed or that may be employed against Conference directly or indirectly are deactivated and render useless and rendered permanently ineffective in Jesus' name. We declare that all captives across our harvest fields are supernaturally released now, and their deliverance is perfected as they come for the conference.

In the name of Jesus Christ, we declare that the heavens are open over the conference and the angels of God are released to continuously ascend and descend with blessings, breakthroughs, miracles, healings, and much more over the conference and the attendees. We declare that the spirit and revelation of giving invades and dominates the conference, and people are divinely moved of God to give and sow sacrificially to the ministry and the ministers before, during, and after the conference. We rebuke and silence strange voices and spirits opposed to giving sacrificially and we declare that mental strongholds and mindsets holding people back from giving are dismantled in the name of Jesus. We declare that everyone giving sacrificially is experiencing massive, speedy, and sustained harvest. We declare that the planning team functions with divine wisdom, inspiration, and clarity and they're in full alignment with God's agenda for the conference. We declare that God's thoughts and will for the program are firmly planted and rooted in their hearts, and their hearts are united to do your will for the conference. They deliver on their assignments excellently and none of them shall be manipulated or influenced contrary to God's will and agenda.

We declare that in this season and beyond, our Pastor's mind is saturated with perfect peace, he is strengthened in his inner man, and he and his household are free from any form of distractions. We declare that in this season he is endowed with divine wisdom and help from above, and he is supernaturally aided to birth the fullness of God's plan and purpose for the ministry in this season. Heavenly Father, we thank you for giving him faithful and able handlifters and vision-interpreters from this season and beyond. We declare that all the stakeholders for this conference, our neighbors, LASMA, advertising agencies, vendors, and all those who have something to do with the conference cooperate wholly with us

and work in full alignment with your agenda for the conference. They are all favorably disposed to us and render us more help than we require in Jesus name. We declare that we have perfect weather without rain nor excess heat. We forbid, and frustrate any attempt to stir up crisis in the city or nation within the period of the conference. We declare unity of purpose, love, and team spirit among the workforce. We intercept and frustrate arrows of darkness against the workforce, the church members, the attendees, the ministers, and our Pastor. None of it shall prosper! We declare that everyone one of us is under divine protection, and the banner of the blood of the lamb is all over us.

We declare that all the speakers experience unusual utterance, unction, liberty in the Holy Ghost and ease of ministry, and they speak your mind to each attendees. They minister with complete alignment with your agenda and according to your divine will at each session. We declare that their gifts, callings, and mantles shall be at the highest level of operation and manifestation at this conference and the gifts of the Spirit shall be fully activated as each one ministers. We call forth and receive from the four corners of the earth the people heaven has ordained for The Potter's Conference 2024 of The King's Heritage. We declare that their hearts are open to receive God's word with meekness and joy. We declare that each one comes under the conviction of the Holy Spirit and many are harvested into our church.
